

SU ELLEN 6-row

Very early feed barley with best standing power

Advantages:

- Very early feed barley with superior yield and longer grain filling
- Outstanding lodging resistance
- Resistance against BaYMV-1 and BaYMV-2. Missing resistance against BaMMV

Cultivation:

For medium to better soils or 2-row locations with faster ripening

Short profile:

---- = very low resistance/early/short,

++++ = very high resistance/late/long
