

HYFI_B

Outstanding and consistent yields in all conditions

Advantages:

- Excellent combination of early maturing and winter hardiness
- Good disease resistance with award for fusarium resistance
- Good baking quality with good protein and zeleny

Cultivation:

Hybrid wheat with extraordinary yield potential in all locations and after all previous crops

Short profile:

---- = very low resistance/early/short,

+++ = very high resistance/late/long

Plant Development

Vitality

Winter hardiness (6) medium to high

Drought resistance (8) high to very high
