

# STING 2-row

We will walk in fields of gold!

## Advantages:

- Top yield results (untreated/treated) all over europe, broad ecological suitability
- Very good malting suitability: low beta-glucan content, good Proteolysis, Cytolysis
- Balanced good disease resistance profile
- Very good outer grain quality parameter (TKG, grading)

## Short profile:

---- = very low resistance/early/short,

+++ = very high resistance/late/long
